---

## Note

The following documents were also added to the TII Publications system:

- GE-POL-01008: Interim Requirements for the Use of Eurocodes for the Design of Road Structures (including Geotechnical Works) (Amendment No. 1, dated February 2012)
- DN-LHT-03038: Design of Road Lighting for Motorway Trunk Roads (dated February 2012)

These two above documents were not transferred from NRA Standards at the launch of the TII Publications system. The versions of the documents that were previously on the TII Publications system as current were superseded by these documents dated February 2012. Please ensure that you are using the most up-to-date version.

In addition, DN-LHT-03078: Design of Road Lighting for All-Purpose Trunk Roads was also added to TII Publications system. Please note that this document is withdrawn and is provided for record purposes only.
