

The following list presents the Register of Approved Independent VRS Chartered Engineer to be appointed to carry out VRS foundation and ground condition certifications on National Road projects in accordance with CC-SPW-00400 and CC-REQ-04009.

Refer to CC-REQ-04009 for qualifications and experience.

Compliance with the requirements of CC-REQ-04009 shall not indemnify the applicant against any claims in law. TII reserves the right to remove a previously approved individual from the Register if there is evidence that the individual does not meet the current guidelines or for any other reason for which it sees fit.

Applications to be included on the TII Register of Approved Independent VRS Chartered Engineers shall be submitted to barriers@tii.ie for review. Such applications shall demonstrate that applicants meet the qualifications and experience requirements as per CC-REQ-04009.

TII maintains, and makes available on the TII Publications website, this register of individuals authorised and registered to act as Approved Independent VRS Chartered Engineers on national road projects. This includes personal contact data and any qualifications and work experience that are relevant to the role of Approved Independent VRS Chartered Engineers. Further information can be viewed at <https://www.tii.ie/about/about-tii/Data-Protection/>
