Guidance for Measuring and Pricing of Brickwork, Blockwork and Stonework

CC-GMP-02400

October 2016

About TII

Transport Infrastructure Ireland (TII) is responsible for managing and improving the country's national road and light rail networks.

About TII Publications

TII maintains an online suite of technical publications, which is managed through the TII Publications website. The contents of TII Publications is clearly split into 'Standards' and 'Technical' documentation. All documentation for implementation on TII schemes is collectively referred to as TII Publications (Standards), and all other documentation within the system is collectively referred to as TII Publications (Technical).

Document Attributes

Each document within TII Publications has a range of attributes associated with it, which allows for efficient access and retrieval of the document from the website. These attributes are also contained on the inside cover of each current document, for reference.

1. General

The item coverage applicable to removing from store and relaying brickwork, blockwork and stonework includes for replacing items damaged during removal, cleaning, transportation and modifications. The requirements for this work and the expected recovery of second hand materials should be detailed in the Contract. Modifications of which the Contractor was not informed at the time of tender are not covered by this item coverage.
