Guidance for Measuring and Pricing of Accommodation Works and Works for Statutory Undertakers

CC-GMP-02700

October 2016

About TII

Transport Infrastructure Ireland (TII) is responsible for managing and improving the country's national road and light rail networks.

About TII Publications

TII maintains an online suite of technical publications, which is managed through the TII Publications website. The contents of TII Publications is clearly split into 'Standards' and 'Technical' documentation. All documentation for implementation on TII schemes is collectively referred to as TII Publications (Standards), and all other documentation within the system is collectively referred to as TII Publications (Technical).

Document Attributes

Each document within TII Publications has a range of attributes associated with it, which allows for efficient access and retrieval of the document from the website. These attributes are also contained on the inside cover of each current document, for reference.

Contents

1. General.....	1
2. References.....	2

1. General

Where accommodation works and works for privately and publicly owned services and supplies are known prior to tendering they should be billed in accordance with CC-RMP-00010. If accommodation works and/or works for privately and publicly owned services and supplies are anticipated but cannot be defined then they will fall to be dealt with in the post contract phase in accordance with the contract conditions.
