

Notes :-

1. All dimensions are in metres
2. See NRA TD27 for dimensions of cross-section elements
3. For details of road markings see the Traffic Signs Manual
4. Width of central reserve for a Standard Dual Carrieway Motorway is determined by the type of safety fence or barrier. See NRA TD 19.
5. The verge width should be increased as required to accommodate the features and services contained therein
6. A minimum of Four No. Service Ducts are to be provided in each verge. Refer to Series 500 of NRA MCD & RCD/500/51 for details of Service Ducts.

Scale 1:100
